### C. Safety

Please note this sitting box is designed to be used on a reformer carriage. The metal frame therefore does not have any slip feet, as these would damage the carriage upholstery. When in use on a reformer the sitting box is prevented from slipping backwards by placing against the shoulder rests. If you wish to use your sitting box on the floor, please always use on a suitable mat to prevent the box from slipping.

### D. Care & Maintenance

Always ensure that belts, jewellery and shoes are removed when working on the Sitting box as buckles, rings, watches and bangles can all end up damaging the upholstery.

For care of upholstery we recommend using *GymWipes Advantage Sanitising wipes* which are alcohol free, will not damage your upholstery & are available worldwide

Please regularly check all the bolts are securely fastened and if necessary retighten.
